Family Engagement Events –

Halloween Parade and Curriculum Focused Event for Semester 1

What Events are we considering? How will Families be engaged in these events?

- Choose date and times good for Parents to attend and support our children,
- Refer to the map for the Halloween Parade route and group locations.
- Each Teacher will have an activity in their classrooms before parade
- Halloween candy donations from parents
- Plan on Math Night for Curriculum middle of November or beginning of December
- Putting plan into actions, sharing math ideas per grade level.

How to Promote our Events?

Flyer will be created and distributed to students.

Teachers will promote with students.
